

Do women have different financial beliefs?

How do women make empowering financial choices?

Put our knowledge on your side /

Learning the truth about common financial misconceptions can help you realize your successful financial future and protect your loved ones. We believe in empowering women with accurate and timely information so that sound financial strategies can be implemented.

Women's Financial Beliefs — A Workshop for Women

Get the truth behind these and other common **misconceptions**:

- “A 401(k) is all the retirement planning I need to do right now”
- “I don't have to take care of the family finances, my spouse does”
- “Investing is only for risk-takers”
- “Estate strategies are only for the wealthy”
