The Wagner College Holocaust Center is honored to present the 5th annual **Egon J. Salmon and Family Commemoration of Kristallnacht and the St. Louis**, on Monday, November 9, at 7:00 p.m. via Zoom.

Our featured guest speaker, **Julian E. Zelizer**, Professor of History and Public Affairs at Princeton University and CNN Analyst, will address the state of **American Politics, the Holocaust and Racial Justice**.

This talk will examine the ways in which fighting anti-Semitism and the quest for racial justice intersect, drawing inspiration from the life and theology of Rabbi Abraham Joshua Heschel (1907-72). Heschel was an activist for civil rights, marching arm-in-arm with Martin Luther King Jr. and calling on President Kennedy to show “moral grandeur and spiritual audacity.”
